

# Tap into the unrivaled Airbnb global guest community seamlessly using the the ApartunityBridge to make your apartment listings **LIVE & INSTANTLY BOOKABLE**

## An invitation to Airbnb

With more than 2 million people on average staying on Airbnb each night, if you're not on Airbnb you're likely missing out on potential bookings. Airbnb is not only a powerful demand channel, but also makes it simple and secure to host guests across all stay durations. With Airbnb, you're also in full control of your availability, prices, house rules, and how you interact with guests.

## Airbnb by the numbers

**220+** countries and regions with Airbnb listings

**500M** Airbnb guest arrivals all-time

**62** different languages are now supported, making Airbnb accessible to more than **4 billion** native speakers

**2M+** average guest stays per night

## How to get started

Connect your listings through **APARTUNITYBRIDGE**. This will allow you to automatically push your rates and availability from your reservation management system in **real time, 24/7**. No manual updating, no double bookings. **Fully Automated!**

APARTUNITYBRIDGE is the only Channel Manager that not only makes your inventory **instantly** bookable on all OTAs (Airbnb, booking.com, expedia.com, etc.) but it is also has customized smart technology which allows you to set all the booking parameters your company needs.
